Summer School BIG QUESTION

# SOCIAL MOVEMENTS IN GLOBAL PERSPECTIVES

## Summer School BIG QUESTION

### SOCIAL MOVEMENTS IN GLOBAL PERSPECTIVES: PAST - PRESENT - FUTURE

...These are only a few examples of social movements trying to influence politics and society today. How do these social movements emerge? Who participates in them and why? What sustainable change do they actually bring about? This Summer School offers you an opportunity to find answers to these questions and discuss the history and present of social movements, such as labour, human rights, feminist or anti-globalisation movements, with leading experts as well as activists from all over the world – the USA, Australia, Hong Kong, the UK or Greece.

- **Preparatory Meeting:** June 16<sup>th</sup>, 2014, 3-5 pm
- **Summer School:** Take part in an international and interdisciplinary conference with highly renowned national and international experts, present and discuss your ideas with scholars and practitioners alike (September 1<sup>st</sup> - 12<sup>th</sup>, 2014)
- **Future Workshop:** Discuss and develop future scenarios for social movements and social change (last week of September 2014, 2 days)
